CASINO RESORT SPA • RENO <sup>TM</sup>

By Allan Anderson

The Atlantis Casino Resort Spa in Reno has undergone a \$100 million expansion resulting in it becoming the premier destination of Northern Nevada.

The expansion touched many facets of the property including an additional 20,000 square feet to the casino floor. The gaming space features a variety of games from keno to the latest in slots, to classic table games like blackjack, roulette, and craps. The Atlantis also features the Sky Terrace that provides slots in a smoke-free atmosphere along with a new smoke-free slot area on the main casino floor. The expanded gaming space also includes a new Race and Sports Book featuring individual 13' X 7', high-definition

The Atlantis has 50,000 square feet of meeting and convention space and a grand ballroom with the capacity to host over 1,200 people. Atlantis is the only resort connected to the Reno-Sparks Convention Center, with a sky bridge designed to keep conventioners out of the cold.

Spa Atlantis now offers 30,000 square feet of opulently appointed treatment rooms accented with imported tiles, rich woods, and more. The Spa offers mineral mud treatments in the Rasul Ceremonial Chamber. It also offers couple's massage and features a cool brine inhalation-light therapy lounge with heated floors and seating, a nature experiential shower, and a laconium relaxation lounge. Relax in the brand new Aqua Lounge with indoor whirlpools and cold plunge, and enjoy the men's and women's cedar wood sauna and herbal steam rooms. Spa Atlantis is also one of less than a dozen U.S. Spas to offer Pantai® Luar treatment. The Spa also brings with it a brand new cardio theater and fitness center with state-of-the-art cardio equipment from TechnoGym®, containing built-in television monitors which are
